Hi,
and sorry for (may be) wrong group. My frined doesn't have access to Internet,
but he wants to have radiophone with 80+ (100+) miles range.
He said, that it should be somathing like (or better than) "Tomahawk-8000".
We will appreciate any places to call/price ranges-ANY ADVICE.

Please reply directly- I don't read these groups lately.
